

Hope Reignited

Fall Gala for CASA

Dear Friends,

This November, CASA for Clermont Kids is bringing back their Fall Fundraiser Gala and we need YOU to help us fight child abuse and neglect. This annual event helps the program advocate for the over 150 children who are in foster care every year in the county. The program needs you to help support its mission towards serving 100% of children who experience adversity.

CASA/GAL volunteers stand up, and speak out for the child. They advocate for the child's best interest and ensure all children have someone in their corner. Safety, stability and permanency in a loving home are the guiding principles of our CASA/GAL advocates and the program. These community volunteers are seemingly ordinary people that do extraordinary work for our children in our community.

The Hope Reignited Fall Gala, happening November 4th at the Holiday Inn in Cincinnati will provide an opportunity to showcase the important work our CASA/GAL volunteers are doing and provide support to CASA For Clermont Kids' dedication to growth. The event features a lovely dinner buffet, mission moments, a live and silent auction and fellowship.

We are calling on all our gracious supporters to assist with this incredible event and our community's children. **We would love to have a basket/auction item from you for this event!** If you have any questions or need additional information as you consider your involvement, please contact Interim Executive Director Kalei Edenfield at 740.541.2883 or kedenfield@ohiocasa.org. Thank you for your consideration and commitment to **changing a child's story.**

Sincerely,

Kalei Edenfield
